ANGLED SEAL TECHNOLOGY

Innovative and exclusive angled seal technology provides superior sealing capabilities.

UNIQUE SLIDING DESIGN

The entire folding unit slides out on glides for easy maintenance without the need for service technician.

AUTO SLIDE EXIT CONVEYOR

Conveyor extends automatically and stacks up to 600 sheets. It's

quick and easy ability to stack forms that are being processed enables the IM9500/IM9500L to process continuous jobs.

HUGE DUTY CYCLE

Enhanced mechanism provides easy and full accessibility to each unit to enable the processing of up to 200,000 sheets per month.
